eve

Legal AI you can trust

Eve is the proactive AI workforce for plaintiff firms. From the first intake call through to settlement or verdict, Eve handles the time-consuming tasks so you can focus on crafting a winning strategy.

Eve's purpose-built AI understands the complexities of plaintiff casework and is tailored to your firm's unique voice, values, and processes.

FLANELA Exclusive Trial Offer

FLANELA members are invited to see Eve in action using your own case files – free of charge.

Talk to a member of our team or visit eve.legal to get started.

We don't replace your team's expertise. We amplify it.

Spend more time building winning case strategies and strong client relationships – and less on tedious casework.

+ Drive higher settlements with comprehensive Medical Chronologies

+ Cut Discovery from hours to minutes to put the defense on the defensive

+ Maintain a competitive edge when working on complex cases

SMITH+CLINESMITH

"Before, the defense – almost always has more money, more people, more everything – could just really outwork us by putting 20 people on a set of medical records. But now with AI, I can use the tools to be as efficient as 20 people. AI really levels the playing field."

Dawn Smith
