TURN DEPOSITION TESTIMONY INTO LEVERAGE

Experience the power of real-time clarity with Active Reporting by Readback.

THE NELA ADVANTAGE

- Simple, transparent pricing
- Accuracy backed by live human Guardian & editors
- Use with your AI for smarter follow-ups
- Certified transcript & audio included*

READBACK HAS YOUR BACK

"I love that audio recordings are free. These are incredibly helpful for mediations and even trials. Next, getting the transcript in only one day can save you in a pinch. Lastly, the price is right. I somehow get more services for less money. It's an easy decision to use Readback."

Andrew Lacy, Esq.
NELA ePA President
